

# GEOGRAPHY CLUB

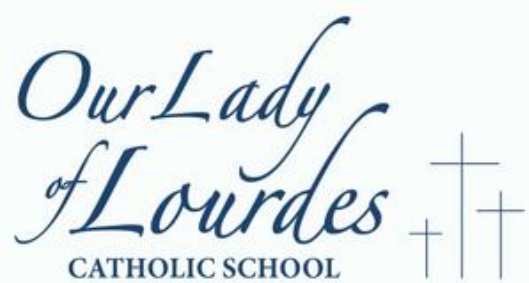

## Lourdes Extracurricular Activities

Kindergarten – 5<sup>th</sup>  
grade

Meet in the  
library during  
recess

Learn more about the world around you – continents, countries, and cultures, oceans, rivers, and mountain ranges. Identify locations of countries, gain an understanding of cultures, what animals live where, how climates affect people and how they adapt to the land. Join the Geography Club, and go deeper into the wide study of geography.

Countries,  
oceans, culture
